Purpose and Powers

The purpose of the Audit Committee (the “Committee”) is to assist the Board of Directors (the “Board”) in its oversight of the accounting and financial reporting processes of Cyclacel Pharmaceuticals, Inc. (the “Company”); to appoint, compensate and oversee the Company’s independent accountants; and to supervise the finance function of the Company (which will include, among other matters, the Company’s investment activities). The Committee will have the power to engage and compensate independent counsel and other advisors as it deems necessary to carry out its duties. In addition, the Committee has the authority, to the extent permitted under applicable laws, rules, and regulations, and the Company’s bylaws and Certificate of Incorporation, to delegate to one or more of its members the authority to grant pre-approvals of audit services and permissible non-audit services, provided such decisions are presented to the full Audit Committee at regularly scheduled meetings.

The Audit Committee’s responsibility is oversight. The Company’s management, and not the Committee, is responsible for the Company’s financial statements, as well as the Company’s financial reporting processes, principles, and internal control systems. The independent auditor, and not the Committee, is responsible for performing an audit of the Company’s annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles, reviewing the Company’s quarterly financial statements, and other procedures. In discharging its duties under this charter, each member of the Audit Committee shall be entitled to rely on: (i) the integrity of those persons within the Company and of the professionals and experts (such as the independent auditor) from which it receives information, (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons, professionals, or experts, absent actual knowledge to the contrary, and (iii) representations made by the independent auditor’s management as to any non-audit services provided by the independent auditor to the Company. Similarly, it is not the responsibility of the Committee to ensure that the Company complies with all laws, regulations, and Company policy, including its Code of Business Conduct and Ethics.

The Committee will undertake those specific duties and responsibilities listed below, and such other duties as the Board from time to time may prescribe. The Committee will provide to the Board the results of its examinations and recommendations, and such additional information and materials as it may deem necessary to make the Board aware of significant financial matters that require Board attention.

Charter

The Committee will review and reassess the adequacy of this charter at least once annually. This charter (as then constituted) shall be publicly filed, as may be required by the Securities Exchange Act of 1934 (the “**Exchange Act**”), or the rules and regulations of the SEC, the FINRA, Nasdaq, or any other applicable regulatory authority.

Membership

The Committee shall consist of at least three non-employee members of the Board. Such members will be elected by the Board at the annual organizational meeting of the Board, and shall hold office until their resignations or until their successors shall be duly elected and qualified. The Committee’s membership shall comply with the independence standards set forth in the Exchange Act

and the rules of the Nasdaq Stock Market, and with the financial literacy and sophistication requirements of the Nasdaq Stock Market, provided, however, that in conformity with the rules of the Nasdaq Stock Market, the Board may decide that, if it is in the best interests of the Company, one non-employee member of the Board that meets the independence standards set forth in the Exchange Act, but not the independence standards of the Nasdaq Stock Market, may serve on the Audit Committee for up to two years.

Meetings

The Committee will meet separately with the Chief Executive Officer and separately with the Chief Financial Officer of the Company at least quarterly to review the financial affairs of the Company. The Committee will meet with the independent accountants of the Company outside the presence of management at least quarterly, including upon the completion of the annual audit, and at such other times as the Committee deems appropriate to review the independent accountants' examination and management report. The Audit Committee will meet as necessary to develop its procedures to discharge its duties as the Company's Qualified Legal Compliance Committee.
